**SDR Clinical Technology** has been in partnership with **BIOPAC** since 1990, distributing their data acquisition systems in Australia and New Zealand. We provide local sales and dedicated technical support for both teaching and research systems.

### **Specialty Areas**

SDR specializes in Physiological Measurement, including cellular and whole body electrophysiology, cellular imaging, and a variety of other clinical and research measurement techniques. We also supply a range of equipment for the broader life sciences.

### **Key Personnel**

- Dr. Roger Lainson (PhD)
- Dr. Peter Kenny (PhD)
- Mrs. Yaffa Gould (BAppSci)

### **Partial list of Institutions using BIOPAC Systems**
