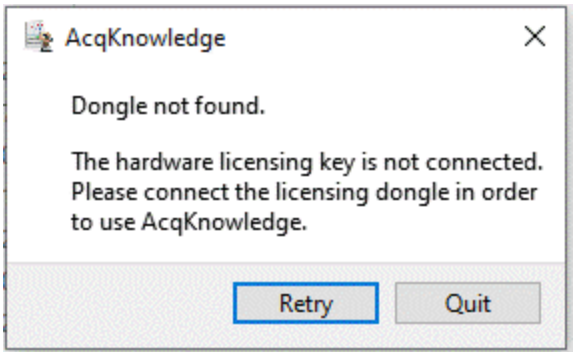
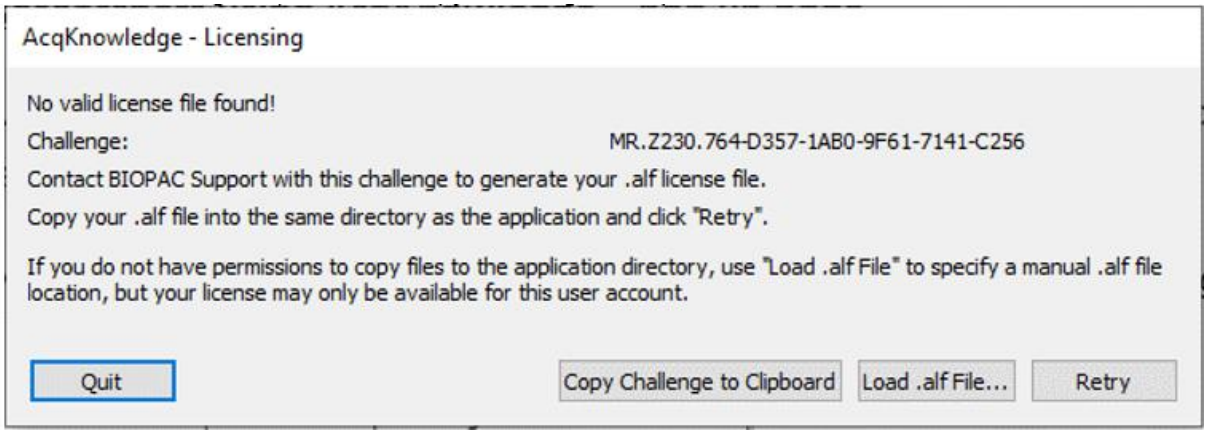
AcqKnowledge® SOFTWARE LICENSE ACTIVATION for STELLAR TELEMETRY

Follow the procedure below to activate your Stellar Software License to use Acq*Knowledge* to acquire and analyze data from Stellar hardware.

1. Launch Acq*Knowledge*.
2. When told your key is not found, hold down the <shift> key and click the “Retry” button:



3. In the new dialog box, click the “Copy Challenge to Clipboard” button:



4. Use Ctrl-V to paste the Challenge from the Clipboard into an e-mail message to support@biopac.com.
